

Drawing

Develop the hidden artistic talents inside yourself. This class is designed to allow each individual to work at their own pace to learn basic drawing techniques. Students will work with still-life, dimension, shade and shadow and depth studies.

Thurs. June 5 - July 10
6:30-8:30pm
\$30 class fee

Drawing for Kids

This class is designed for those "artists to be" of a younger age. Class structure requires that our students be at least 7 years of age and have an interest in exploring their hidden talents. Basic drawing supplies are required.

Dates and Times TBA
Please call 764-3486 for info
\$15 class fee

Human Figure Drawing

The human figure is one of the most difficult subjects for artists to capture gesture, movement, and proportions on paper. Develop artistic technique, hand/eye coordination, composition and proportion techniques. Bring a large drawing board, drawing pad and pencils to class. Live models will be used for the optimal artistic learning experience. This class is geared for the serious artist only. Previous drawing experience required.

Thurs. July 17 - Aug 14
6:30-8:30pm
\$45 class fee

Painting

Examine the basics of painting using a variety of acrylic techniques. Instruction will include use of materials, color mixing, light and shadows, paint application, and finishing touches. This class is designed for individuals of all artistic abilities and levels. An excellent way to explore your artistic talents.

Dates and times TBA
Call 764-3486 for info
\$40 class fee

Watercolor

A study of the basic watercolor techniques suited for the beginner. Learn various watercolor wash and brush stroke techniques and explore color hues and values. Practice the art of self-expression and enjoy the freedom that watercolor art allows.

Mon. June 2 - July 7
6:30-8:30pm
\$35 class fee

Calligraphy I

Explore the art of fine writing and develop your own flair for artistic lettering. Learn several different styles of creative writing. Examine letter styles and practice both upper and lower cases. You will learn the skills to enable you to letter all types of announcements, special invitations, poems, and much more. An art you can use each and every day in a special way.

Wed. June 1 - July 23
6:30-8:30pm
\$35 class fee

Photography I

This class is designed for the beginning photographers. Learn all the basic operations of a 35mm camera. This class will advance you through to the manipulation of light, focusing techniques and depth of field. The perfect way to learn to operate a new camera or to find out what features you would like to look for when you purchase a new camera.

Tues. June 17, 24, July 1, 8
6:30-8:30pm
\$35 class fee

Photography II

This course is designed for photographers with a basic knowledge of manual camera operation. Different photography techniques will be taught and explored. Learn to utilize the features and options on your camera to the fullest of its capabilities.

Tues. July 15, 22, 29, Aug 5
6:30-8:30pm
\$35 class fee

Ceramics

Take your choice of several serving pieces and learn various decoration techniques. Learn sketching, sponging, decals, stencils and finger art. Choose your piece and your own design. Class fee includes all ceramic ware, firings, and most paints and glazes. Each section will have different ceramic pieces from which to choose. Brushes & some specialty paints not included.
